Clean Wood Waste, Brush and Yard Waste Policies

* **Brush:** Woody prunings and debris from trees, shrubs and bushes - 12 inches or less in diameter and and less than 4 ft in length.

** **Clean Wood** - Construction wood free of paint or stain, non pressure treated and no glue. No plywood or pressboard

Leaves, grass clippings and other compostables are accepted at no extra charge.

All vehicles will be weighed and charged at the material rate per ton if the weight exceeds the minimum by weight or by volume. Landfill personnel may use their judgment when determining which loads must be weighed, as well as qualifying the type of material.

Please note: We only accept cash or check at the Transfer Station.
